Gene Fisseler,
Clerk of Session

Dear Gene,

Since I have been diagnosed with mesothelioma lung cancer, I now face several months of treatments and recovery. I don't know what condition I will be in beyond that. For many months I will not be physically able to carry out my duties as a member of Session and the Building and Grounds Committee.

Therefore, in order that Session find someone more able to perform needed duties, I regretfully resign from Session and the Building and Grounds Committee, effective April 30, 2012.

In Christ,

Dick
