

F-Team: April 2019 Bay Area Museum Silver Tea

Motion: Allen Brown from the Facilitation Team brings a motion to Session to allow Missy Rorrer to temporarily display WPC church artifacts for the Bay Area Museum Silver Tea event held Sunday May 5th, 2019 at the Bay Area Museum (the original Webster “Little White Church”) at 5001 NASA Rd 1, from 3pm to 5pm.

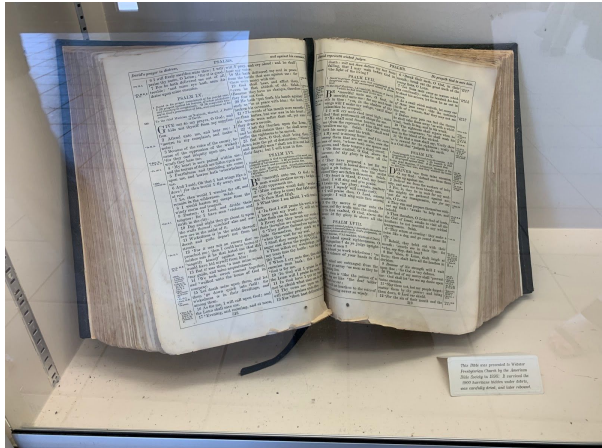

Background: This year the Bay Area Museum will be honoring Webster Presbyterian Church’s 125th year and the 50th anniversary of the Lunar Communion. Members of WPC have been invited as well as the Head of Staff. The Bay Area Museum has had a long association with WPC for many decades and presents historical items on WPC and the larger agricultural and NASA communities in this area.

Request Details: The following items would be temporarily removed from the Narthex display cases on Sunday May 5th, 2019 after worship. They would be transported to the Bay Area Museum (old church building) and placed in a display case in the museum for the duration of the event. Afterwards, they would be returned to the WPC Narthex display cases. Responsible WPC parties: Missy Rorrer and Allen Brown.

The items requested are the following:

- The 1898 bible that survived the 1900 hurricane
- The door knob, plate, and white moulding
- The 1928 photo of Sunday School in front of the old church
- The replica Lunar Communion chalice and mounting plaque

Pictures of these:

This 1888 directory is Webster Presbyterian Church's first yearbook. It was one of the first yearbooks ever published, and contains names and addresses of all church members.
