The Meeting Room

The Webster Presbyterian Session met in a Called meeting to discuss and adopt the 2007 Budget. The meeting was opened with prayer by the Moderator Mark Cooper at 6:45 p.m.

A quorum consisting of the following was present: Moderator Reverend Mark Cooper, Associate Pastor Reverend Helen DeLeon; Ruling Elders: Carol Bachtel, Karla Bradley, Jennifer Carr, Kathy Dixon, Johnny Jones, Diane Kane, Phyllis Koenig, Ross Looney, Al Manson, Chuck Moede, Carlos Noriega, Judy Ota, Roy Phillips, Marjorie Seiter, Reese Terry, and Clerk of Session James Paden.

Treasurer Priscilla (Pat) Koester and Assistant Treasurer, Dick Mills were also present.

Ruling Elders Elect Tye Cowan, John Dewey, Gene Fisseler, Julie Mead, Elizabeth Spivey and Mike Stearns were invited guests.

Copies of the projected revenues for 2007 and a work sheet showing actual expenditures for 2005 and 2006 plus the requested (by Committees) for 2007 were distributed. The Session proceeded to examine the requested budget items and adjust where possible. After completing this exercise, it was determined that the requested budget still exceeded the expected revenue by about \$13,000. Session discussed this amount and the possibility that new members received during 2007 could make up this difference. After this discussion and other possibilities for additional income, the Session voted to adopt a 2007 budget of \$773,189.27 with anticipated revenue of \$773,500.00.

The purpose of the meeting having been accomplished, the Session voted to adjourn. The meeting was closed with Prayer by the Moderator at 8:58 p.m.

ADULT EDUCATION 2006 REPORT

God calls us to grow in our life of faith. Proverbs 1:5 says "let the wise listen and add to their learning, and let the discerning get guidance . . ." In 2 Timothy, Paul gave this charge, not only to Timothy, but to us as well: "But as for you, continue in what you have learned and have become convinced of . . ." The Adult Education Ministry Committee of WPC helps bring to life the vision of this church by nurturing and empowering adults to live out their calling to grow in faith. We do this through classes, Bible studies, women's ministries, covenant groups, and through resources we provide.

Adult Education Classes: We believe that learning is a life-long experience and we want to provide this congregation with as many opportunities as possible to learn more about this life of faith that is ours. We offered over 20 different Sunday school classes this year, as well as some intergenerational programming for special events such as Memorial Day and Independence Day and special seasonal classes for Lent and Advent. Topics ranged from spirituality to mission to finding balance to the music of U2. Together we studied the Bible to understand the roots of our faith; we got a first-hand look at covenant groups and how we can live out our faith, and looked at such timely topics as truth and fiction in the Da Vinci Code. We studied what other faiths believe and discussed the biblical understanding of peacemaking. We didn't do this all on Sunday, either. We had a Wednesday night book discussion group, adult programming during Vacation Bible School, and a group that went through the Bible in 90 days! We average about 50 - 60 adult learners weekly, but we'd love to see this number grow. There really is something for everyone. In 2007, we want to continue to expand our class offerings and grow our Sunday school program, as well as offer additional programming at other times of the week, and provide training for new teachers.

Covenant Groups: We began 2006 with three active Covenant Groups. Covenant Groups provide Christian fellowship in a context that can deepen their relationship with God through sharing, caring and praying for one another. As 2006 came to an end, we now have 8 covenant groups with over 80 members participating. Groups meet weekly, every other week, or monthly. They all meet in private homes. We held two trainings for the current leadership in 2006. In 2007, we hope to continue and expand this ministry. We are planning an afternoon of training for covenant group membership on Sunday, January 21. Training is required in order to lead a Covenant group, and it also is valuable for members because the success of a Covenant group depends on the commitment and participation of each member. From the January training, we hope to have more groups available to meet the needs of those interested in participating. The Covenant Group Leadership Team hopes to deepen WPC's commitment to this ministry in 2007.

Resources: The Resource Team has completed an inventory of all of the books in the library. The Resource Team continues to try to locate missing books. WPC's audio visual equipment is in constant use and requires care in order to be available to meet the demand. To meet the growing need for presentation of reports, a computer projector (PowerPoint and more) that can be used in daylight was purchased. A replacement CD player also was obtained. The Resource Team plans to continue organizing and updating the library and will be working with the Worship Committee and Audio-Visual Team in 2007 to acquire and maintain equipment to enhance the Christian education experience at WPC.

Women's Ministries

Sisters-in-Faith: This unique program brings women together two at a time to get to know one another over a six-month period. A total of 33 pairs of sisters had the opportunity to develop friendship with each other in 2006. A feature added this year is monthly gatherings for the sisters. These have been highly successful, and the

women have enjoyed meeting other sisters in the program, as well as getting together with their own sisters. Sisters-in-Faith closed the year with a tea at Pastor Helen's home. A new round starts in January 2007.

Women's Retreat: This annual event is a highlight in the year for the women of Webster Presbyterian Church. In 2006, the women returned to Camp Allen in Navasota, Texas, for the second time. Guest Speaker Mary Marcotte, an Associate General Presbyter in our Presbytery, lead the women in a program of self-discovery. The gals relaxed together on the beautiful grounds, and had a great time at area festivals and shopping in surrounding towns. Approximately 50 of WPC's women enjoyed the opportunity to get away for a weekend of spiritual renewal, relaxation, and fun. The 2007 Retreat will be held October 12-14 at Camp Allen. Make your plans NOW to participate in this vital ministry to women.

Bible Studies

Tuesday Morning: For many years, this group of 25-30 folks has met each Tuesday morning for study, fellowship, and prayer. In 2006, this group studied some books of the Bible as well as some of the works of Marcus Borg, and a study on Christian care-giving. They are also involved in service program, collecting materials for the Seafarer's Christmas boxes, coats and blankets for the homeless, and jars of peanut butter and jelly for the United Campus Ministry program. This group is also well-known for their love of birthdays as they celebrate the birthdays of their members with food and song!

Lunch Bunch: As the name implies, the Lunch Bunch gathers for lunch on Tuesdays and uses the time together as an opportunity to grow deeper in their faith through fellowship, prayer, and study. This past year we have studied several books, including *Having a Mary Heart in a Martha World* and *The Beatitudes for Today*.

Morning Break: Meeting on Wednesday mornings, the women of this group participate in 4-8 week studies with a fellowship event at the completion of each study. In addition to study, the members of this group have become loving, faithful, Christian friends. We have grown in faith and love through sharing our individual life experiences, whether it is our children, our grandchildren or family and close friends. This group is also involved in service, and plan to take part in a monthly "senior birthday" event this coming spring where we provide a birthday celebration for area shut-in seniors.

BUILDINGS & GROUNDS 2006 REPORT

The year 2006 was a rather busy one for the Buildings & Grounds Committee. But, thanks to hundreds of hours of volunteer time and the talents and contributions of the many, almost all of our projects, repairs and operations were successfully completed. We would like to thank all those who painted, plumbed, carpentered, weeded, trimmed, lighted, cleaned and did all the other little chores necessary to keep our facilities functioning properly. We would also like to list them by name, but in so doing we would surely forget someone or their contribution and that would be a tragedy. So, everyone who helped, and you know who you are, please understand that we deeply appreciate your efforts and thank you sincerely.

Early in the year, B&G started with a Saturday work-day to replace lights in all the buildings. We used 14 volunteers, 240 replacement light tubes, and 18 replacement ballasts. It's hard to believe how many lights there are in our buildings. We later found a ladder tall enough and someone brave enough to climb it and replaced the parking lot lights. A light bulb replacement team has been set up to meet monthly and keep the lights working throughout the various buildings.

- In February, there was also a concerted effort put forth to help B&G repaint and re-outfit Mark's office upon his arrival.
- With spring, our new lawn maintenance crew brought in a power lift and trimmed all the trees front and back and washed down the algae on the Fellowship Hall stucco towers. This needs to be done every two or three years in the future. The room previously reserved for communion element preparation room was modified. A larger sink and associated plumbing were installed to accommodate both communion preparation and Sunday morning coffee fellowship.
- In May, a general workday was held and 18 volunteers showed up to help. Much was accomplished and a good time was had by all. We planted new St. Augustine grass along Houston Street, removed and disposed of several stumps and tree trunks. We cleared and disposed of trash and debris from the city alley in back of the parking lot, the falling down basketball goal, the damaged picnic tables, and large items abandoned at our dumpster. Salvageable material was removed from the dilapidated storage shed and placed in the Sanctuary building HVAC storage room. The storage shed was then removed from our parking lot altogether. Flower beds were weeded, shrubs trimmed, ceiling tiles in Mark's office were replaced, doors were adjusted, toilets were repaired, unused shelves and cabinets were cleared out and stored. Emergency exit lights were installed, kitchen carts were cleaned and outdoor gutters and downspouts were repaired.
- In the summer, the openings at the top of the bell tower adjacent to the church office were sealed off to prevent the birds and other varmints from nesting there. The access door to the office was closed off after the guano and other trash was cleaned out. Flower beds were prepared and foundation plantings were installed along the NASA Parkway side of the sanctuary and along the Houston Street side of the Fellowship Hall. The lawn and shrubs were fertilized for the first time that anyone can remember. We started treating fire ant mounds.
- Roof repairs seem to be ongoing and extensive work has been done in this area. Repairs were made over the Office area, the Library and Bouton Hall and there are more to come. The Sanctuary chancel lighting was replaced and the Audio-Visual Team with the Worship Team promises a lighting enhancement project to improve the overall lighting of the Chancel area to eliminate harsh facial shadows. Two new small tables were handcrafted by a church member and placed between the Chancel chairs for the convenience of the ministers.
- HVAC repair and maintenance is also an ongoing project. We have reworked the plenum, ductwork and piping associated with the AC unit over Mark's office and the meeting room. This and upgrading the ductwork insulation has eliminated condensation dripping through the ceiling and light fixtures. We have also had a similar problem of water accumulating in the mechanical room of the Fellowship Hall that also necessitated repair of foyer HVAC system.
- One major project was bringing water and sewer service to the Fellowship Hall. A contractor laid in the water line and made the sewer tap. This required a licensed plumber and city inspections, something we could not do on our own. Three outside hose bibs were installed. B&G repaired the sheet rock and floor and repainted. Volunteers also installed a triple sink with garbage disposer, a hot water heater, an ice maker and a utility sink. Additional electric circuits were also run in for the extra

appliances. The result is that a useable kitchen (except for a stove) is now in place in the Fellowship Hall.

- Looking forward into 2007, we were able to renew our electricity contract at essentially the same rate as the two-year contract that ends in January.
- In addition, there were many minor repairs to locks, doors, signs, plumbing, appliances, et cetera by talented, dedicated and good-looking people. Although we ran over budget on repairs and maintenance, we were under in a few areas like paper supplies, lawn maintenance and utilities, so overall were about 1% under budget. Our 2006 budget was \$103,000 and we made it at \$102,000.

CHILDREN'S MINISTRY 2006 REPORT

The **Vision** of the Children's Ministry Committee at Webster Presbyterian Church is to ***prepare our children to go out into the world as Christians.***

To achieve this Vision, the Children's Ministry established the following missions:

1. Educating children about God and Jesus.
2. Partnering with families.
3. Attracting families with children to the church.
4. Teaching children about the joy of a spirit-filled life and the Christian responsibility of giving to others.

Accomplishment for 2006 included the following:

- Conducted Sunday School classes for 2 year olds to 5th grade (~40 Children, average weekly attendance 20-25)
- Conducted the Growing in God's Love (GIGL) Program for younger children during the services
- Provided child care on Sunday mornings, Wednesday evenings, and for other WPC events
- Hired additional child care/nursery workers
- Conducted a Children's Musical
- Participated in the WPC intergenerational Family Festival
- Sponsored a Teacher Appreciation Breakfast for the 2005-2006 Sunday School teachers

- Devised a Children's Ministry Strategic Plan

Commendations: The Children's Ministry program takes the dedicated work of many loyal volunteers. Without the efforts of so many members of our congregation, this program could not be successful. These volunteers include:

India Allen	Jenny Cowan	Jan Davis
Brenda Fixel	Lynn Godwin	Lauren Balletto
Cathy Black	Jeanne Camp	Richard Koester
Tina Looney	Kim Luedde	Jim Magnant
Terrell McMillan	Cappi McNeill	Stacey Menard
Nina Moede	Sandy Murphy	Wendy Noriega
Shayna Noriega	Frank Rix	Alberta Rohlfing
Laura Shipman	Nancy Spivey	Elizabeth Stoltz
Anne Waehner	Marjorie Warehime	BC Whigham

In addition, several significant building repairs were initiated by building and grounds, which has necessitated the use of alternative meeting space. Thanks to the flexibility of our staff and teachers, this has been accomplished with a minimum of disruption to the children.

With the completion of the CMT strategic plan, we look forward to children playing a more visible role in worship and building upon the strength of intergenerational offerings at Webster.

FELLOWSHIP & WELCOMING 2006 REPORT

Jesus told us we encounter the loving God when we love one another, welcome the stranger, and invite new people into our fellowship.

The Webster Presbyterian Church Fellowship and Welcoming Committee works to help you do all those things.

Fellowship: Fellowship is an important part of the life of every congregation, as it brings us together in ways that help us develop a sense of community. When we break bread together around a common table, play together, and/or spend time in conversation together, we deepen our relationships with each other and with God. The Fellowship Team produces several congregational fellowship events each year, and provides counsel and advice to other committees and teams to help make their fellowship gatherings successful. The Fellowship Team coordinates the Wednesday Night Dinners, the annual Shrimp Boil, the Family Christmas Festival, and four congregational fellowships. It takes lots of people who enjoy putting smiles on the faces of others to plan and carry out these events.

Welcoming: We welcome newcomers through our Greeter Team and Visitor Team, and invite them into our fellowship through the New Member Team. Members of the Greeter Team are present before the beginning of each church service to welcome members and visitors alike into our church. Members of the Visitor Team go out after church weekly and greet visitors in their homes, symbolizing God's welcome to them. The New Member Team welcomes repeat visitors by inviting them to participate in the many opportunities available through other ministries of this Church to encounter the loving God and be nurtured as disciples of Christ. The New Member Team organizes and hosts an Open Door class several times a year to welcome visitors who are interested in continuing their faith journey with

the family of faith here at Webster Presbyterian Church, then works to help them connect to others in the WPC family of faith. Through these teams, Webster Presbyterian Church reaches out to the newcomer in its midst to share the good news of God's love. In 2006, Webster Presbyterian Church cheerfully added 29 new members.

WORSHIP 2006 REPORT

All the earth shall worship thee, and shall sing unto thee; they shall sing your glories. Psalms 66:4

During the past year the Worship Committee benefited from the leadership of Reverend Mark Cooper and Glenn Foster. With their guidance, we enjoyed worship that was stimulating for members and welcoming to visitors.

 - Twelve special worship services
 - A team of ushers who provided assistance to both members and visitors
 - Communion (prepared by Deacons) at 29 different services
 - Guild meetings to clean the Sanctuary and organize worship material
 - The donation of chancel flowers
 - Lent and Advent planning and decorating

The committee also established the Task Force for Explorations in Worship. This task force will be formed and begin meeting early in the 2007 to consider possible variations in our worship.

- The marvelous musicians of WPC blessed us again, during 2006. YOUTH MINISTRY 2006 REPORT

As 2006 began, the Children and Youth Committee was reformed into two new Session committees to bring the necessary focus needed for each of the ministry areas. The Youth Ministry Committee organized with two support planning teams, with one responsible for the Sr. High youth and the other responsible for the Jr. High youth.

The committee and each team worked hard to provide a vital and meaningful ministry for the youth at WPC. Any achievements and successes this past year are the result of the dedication and commitment of many volunteers and parents. Their willingness to respond and follow God's call to support the faith journey of our youth is a wonderful gift and the Youth Ministry leadership, as well as the entire Church, is blessed by their presence. The past year for Youth Ministry involved many exciting opportunities, some that were traditional activities and others that represented new initiatives.

Some of the significant new initiatives were:

- Implemented monthly youth-focused worship service, with music led by Joyful Noyz
- First summer Jr. High Youth Trip, to Mo-Ranch Jr. High Jubilee
- Revised Wednesday program, Connections, for Sr. High youth
- Additional accomplishments and activities during the past year were:

Jr. High Youth Ministry

- Sunday School for 13-15 youth
- Weekly PYC year-round for 13-15 youth
- Souper Bowl of Caring mission project
- Confirmation Class and associated Mentor Program for 15 youth
- Conclaves at Cho-Yeh in the spring
- Summer Wonderful Wednesday program involving college student leaders
- Midnight Madness, the annual youth planning and fellowship kickoff event
- Fall Presbytery-wide Rally at First Presbyterian in Pasadena
- Collected items and packed Seafarer's Christmas boxes

Sr. High Ministry

- Sunday School for 8-9 youth
- Weekly PYC year-round for 8-9 youth
- Conclaves at Cho-Yeh in the spring
- Mission Trip fund raisers - Super Bowl Sandwiches, Sweetheart Dinner Dance, Baking Brothers, Car Wash
- Mission Trip to Presbyterian Children's Home in Itasca, Texas in June

- Annual Summer Fellowship and Planning Retreat in July
- Three PYCC youth representatives, and one PYCC adult leader
- Fall Presbytery-wide Rally at Northwoods Presbyterian

Combined Jr. High and Sr. High Ministry

- Musical program "Bow Down" (Music Program offering led by Glenn Foster)
- Youth-wide fellowship activities, such as attending Astros game
- Crop Walk in October
- Attended/supported the Houston Veteran's Day Parade
- A.D. Player's presentation of "Rock Nativity"

The committee and teams explored opportunities to expand congregational involvement in, and interaction with, the youth programs and offerings. As an example, offering a continuation of the Confirmation Mentor program throughout Sr. High is being developed. Also, the leadership addressed administrative and process needs. Within this area, the departure of Rev. Ryan Sills resulted in the loss of a good friend to the youth and a staff resource for WPC's youth ministry. This loss was addressed by reviewing the functions and needs to support a growing program, and the identification of proposed requirements for a youth staff position. The formation of an Associate Pastor Nominating Committee (APNC) was a positive, and very tangible, step by the Church in demonstrating its commitment to youth ministry at WPC.

In looking forward, the Youth Ministry Committee is excited by the many possibilities that exist for the growth and development of our youth's faith, a faith we seek to have them embrace and truly make their own. To that end, we are all challenged to enable this ministry's vision so that all of us together might, with God's gracious guidance, change the world.

Respectfully submitted,
Chuck Moede, Chair
Watson Dupont

Session and Staff of Webster Presbyterian Church

I was first elected as Clerk of Session in January 1973 and it has been my honor and privilege to serve WPC and subsequent Sessions as Clerk since that time. I feel that the time has come for me to step aside and pass the quill to someone else.

I offer you two names who have indicated a willingness to serve the Session as Clerk:

Gene Fisseler, who has served as Clerk, pro tem during my absences; and, Peter Koester, a long time member and Ordained Elder.

I know that you do not have to elect either of these persons, but in good keeping, I offer these names for your consideration.

It has been my pleasure to serve as the Clerk of Session for these many years, thank you for your confidence in me.

**ATTACHMENT:
PROPOSED CHANGES TO WPC BYLAWS**

Current Wording:

F. Limitations

1. No two members of the same household shall serve as church officers on the same board at the same time. When a person completes a term, another member from the same household shall not be considered for a position on the same board until one year has passed.
2. Except as noted, any officer shall be ineligible to be elected to a second complete term until one year shall have elapsed from the time of his/her last full term. The exception is the youth elder and deacon.
3. An officer who is placed in a class for less than three (3) years in order to fill a vacancy in such class shall be eligible for immediate re-nomination at the end of the short term. However, no officer shall serve more than six consecutive years of full and partial terms.

Proposed Wording (new verbiage in bold font):

F. Limitations

1. No two members of the same household shall serve as church officers on the same board at the same time.
2. **Except as noted**, when a person completes a term **on a church board**, another member from the same household shall not be considered for a position on the same board until one year has passed. **The exception is the youth elder and deacon.**
3. Except as noted, any officer shall be ineligible to be elected to a second complete term until one year shall have elapsed from the time of his/her last full term. The exception is the youth elder and deacon.
4. An officer who is placed in a class for less than three (3) years in order to fill a vacancy in such class shall be eligible for immediate re-nomination at the end of the short term. However, no officer shall serve more than six consecutive years of full and partial terms.

Rationale for change:

- *The limitations on adult members of the same family filling concurrent or sequential positions on the same church board allow for adequate opportunities for our large congregation and adequately protect against "dynasties" in church leadership.*
- *The positions of youth deacon and youth elder are designed more to provide opportunities for the youth to learn than for the youth to lead. Therefore, eliminating the year in office between a parent and a youth officer would not create a problem. It does not cause undue influence by one family or threaten any sort of dynasty in leadership.*
- *The window for youth to serve on the Board of Deacons or the Session is very narrow (effectively, two to three years). Requiring a one-year buffer precludes many of our young members from serving and learning to be a part of our Boards simply because their parents are church leaders.*
- *We don't believe the original intent of this section was to require a year between parent and youth officers and, if that were the intent, the full impact was not considered. As a practical matter, there has been at least one youth officer nominee inadvertently elected without complying with the limitation being addressed here since it was adopted in 2005.*

November 18, 2007

Forty-seven performance evaluation forms for six church staff members have been completed and returned to the Personnel Committee; meetings with staff to discuss performance and development opportunities are set for November 30. - Adult Christian Education
 - The **Session voted to approve** (1) use of 2007 funds by the Adult Christian Education Committee to secure reservations for the Women's Retreat to be held at Camp Allen in October of 2009, and, (2) in future years, then current year funds to be used to secure reservations for the Women's Retreat scheduled for up to two subsequent years.
- Buildings & Grounds – A workday was held on November 17 with numerous indoor and outdoor projects tackled. The final step in the year-long Education Wing HVAC upgrade will be completed by energizing the heating system before cold weather sets in. After several months of waiting, the HVAC system for the Library should be reconnected to the power supply very soon.

As the Stephen Ministry continues to rebuild, four new trainees will participate in training sessions in 2008. And, the new ministry serving military servicemen and women returning from Iraq and Afghanistan and their families continues to grow.

- Worship – The 8:30 a.m. worship services during Advent will take on a new and different sound and feel. The "message" will be the same as in the 11:00 a.m. service, but the music and the musicians will be different. Accordingly, the worship bulletin will be reformatted to accommodate the differences between the two services.
- Youth Ministry – The Committee is working to form a Resources Team to support the Sr. High Planning Team and the Jr. High Planning Team. In addition, a Youth Worship Planning Team will be formed to investigate development of meaningful worship approaches and styles with a focus on youth.
