

Adult Ministries Committee Motions

Webster Presbyterian Church

February 12, 2015

The Adult Ministries committee have two motions for the session to consider

MOTION 1:

The Small Group lead by Diane Kane would like to base a study on Mary Jo Leddy's book *Radical Gratitude* .

RATIONALE:

Within this group leadership is shared. Each member is bringing quotes from the assigned chapter to our meeting for discussion. The material is from a theologian at a Catholic University but is appropriate for a WPC study.

BUDGET IMPLICATIONS:

None.

MOTION 2:

The committee requests approval of teaching the "Painting the Stars - Science, Religion and an Evolving Faith" series during the fall Sunday School class. Since each session is 90 minutes we will encourage attendees to quietly leave the first service at 8:45 and second service attendees will arrive at 11:30.

RATIONALE:

There should be minimum interruption and there is precedent for other committees to routinely encourage members to be elsewhere during the dedicated Sunday School time there should be minimal impact.

BUDGET IMPLICATIONS:

None
