
Called Meeting of Session

SUNDAY, MARCH 15, 2020 AT 10:00 AM

Teleconference on Zoom

Welcome

Open with Prayer

May we merely are inconvenienced remember those whose lives are at stake. May we who have no risk factors remember those most vulnerable. May we who enjoy the luxury of working from home remember those who must choose preserving their health or making their rent. May we who have the flexibility to care for our children when the schools close remember those who have no options. May we who have to cancel our trips remember those who have no place to go. May we who lost money on margin in the tumultuous decline of the stock market remember those who have no margin at all. May we who settle in for quarantine at home remember those who have no home. As fear grips our country, let us choose love and mercy. During this time when we ought not wrap our arms around each other in solace, let us find way to be the loving embrace of God for our neighbors.
